

To Whom It May Concern,

I am honored to recommend Kaylee. I have had the privilege of serving as her supervisor for the past three years and have overseen her work in both her Family Specialist and Church Ambassador roles at Compass.

Kaylee is dependable, timely, organized, and deeply committed to serving others with excellence. She brings genuine passion to her work, especially when supporting vulnerable children, individuals, and families. Her empathy is truly one of her greatest strengths. She has a remarkable ability to help people feel seen, understood, valued, and cared for.

Kaylee is also honest and courageous. She is willing to address difficult situations and have hard conversations, but she does so with honor, empathy, assertiveness, respect, and tact. She communicates clearly while remaining thoughtful of the people involved, which has made her a trusted colleague and a strong advocate for those she serves.

In addition to her compassion and professionalism, Kaylee is creative and brings fresh ideas to her work. She is able to organize details, build meaningful relationships, and approach challenges with both thoughtfulness and initiative. She is also a friend to everyone she meets. Her warmth, authenticity, and welcoming personality allow her to connect easily with coworkers, community partners, churches, and families.

Kaylee has made a meaningful impact throughout her time at Compass, and I am confident she will bring the same dedication, integrity, compassion, and creativity to any organization or opportunity she pursues. I recommend her without hesitation.

Sincerely,
Lauren Furman
